

2022 – 2023 Fall Season Cutting Schedule Information

All interested contestants

We have come up with the dates for the 2022 NMHSRA cutting as follows:

Farwell T.X. - Sept 24-25, 2022 (Palo Duro Cutting Ass. website: palodurocha.com)

Moriarty N.M. - Oct. 8-9, 2022 (New Mexico Cutting Ass. website: newmexicocha.com)

Attached is a spreadsheet that will explain the fees. Joel Carson and I are working to get sponsorships to cover any extra expense brought on by the NCHA events (entry, cattle charge, office charge, video charge, NCHA champ fee). Now this is not 100% guarantee that this will happen, but we are trying. Contestants will be required to enter the NMHSRA cutting through Kassandra (like normal) and will enter the NCHA cutting on a clip board on site 2 hours before cutting starts.

At the first cutting in Farwell, TX, we are trying to organize a clinic that will be free to the high school contestants. We will send out information on this as we get it organized. Please call if there are any questions.

Please if I missed anyone, please forwarded the email to them, or have them contact me. Please RSVP if interested in entering, so that we know how much money to raise for the contestants.

Thank you,

Shawn McCormick
