## Membership Information

Welcome to the New Mexico High School Rodeo Association where "the real cowboys and cowgirls ride". New Mexico is proud to be a Member of the National High School Rodeo Association. The NHSRA was founded on two principles: to encourage youth to stay in school and to promote the highest type of conduct and sportsmanship. New Mexico High School Rodeo is dedicated to preserving these goals. That opportunity is still available to our members with 8 qualifying high school rodeos hosted by local committees. The rodeo season will begin in August and conclude with the National High School Finals Rodeo in July. Membership fees include your membership in the National High School Rodeo Association which governs the rules that we follow. The New Mexico High School Rodeo Association has established procedures and policies for our organization which will vary from state to state.
