

New Mexico Junior High Rodeo Association

New Member Instructions

Online Membership Application Process

Everyone is required to become a member this way as of the 2023-2024 season!

From the New Mexico Junior High Rodeo Association Membership Page, you will find a direct link to the National Membership Portal.

With this being your first year joining please use the “New to NHSRA?” login box.

If you were a Junior High Member last year, please use the “Returning NHSRA Member” login box

Before you jump right in, I recommend watching the “New User Signup Demo Video”!!! When you get to the point of creating a Username and Password be sure to write them down as you will need them to sign in to your personal page on the Portal for the remainder of your High School Rodeo career!

As you complete you and your parent’s info it will create a National Membership Application and National Minors Release Waiver of which both need printed off, signed, notarized and uploaded back into your portal page. There is a documents section towards the bottom where you can upload all your documents including your grade transcript. At this time please upload your Current Grade Report Card as well.

Please note: Your membership is not complete until all your forms are uploaded, NHSRA membership dues of \$95 are paid online, and Kassandra receives your NMHSRA membership dues of \$50.
